## ***Preface***

### **About this Document**

The Governance Manual of West Shore Unitarian Universalist Church contains the documentation which defines how the Church is governed. West Shore uses Carver's Policy Governance model for the operations of the Church. All Authority comes from the Congregation. The Congregation calls a Minister to serve as the spiritual head of the Church. The Congregation elects the Board, the governing body of the Church. The Board creates and monitors "Ends" which are the vision of the Church and guide all decisions and actions. The Board appoints an Executive to handle the day-to-day operations and administration of the Church. The Policy Governance model allows West Shore to clarify all roles and responsibilities and make sure that all details which go into running the Church serve its mission and vision.

### **Intended Audience**

This manual is written for all congregants of West Shore, but is specifically intended for members of West Shore in leadership positions and West Shore's ministers. All Trustees, Ministers, Officers, and the designated Executive must be familiar with this manual.

### **Organization of this Document**

This document is organized into 5 major sections which include the policies defined by the Policy Governance Model and an in-depth series of Appendixes. The five sections are Ends, Executive Limitations, Governance Process, Board-Executive Linkage and Ministry Policies. The Appendixes include the Bylaws, a Glossary, the Standing Rules, and many other Governance-related documents.

### **Recommended Reading Sequence**

In order to orient the new reader to this document, a recommended reading sequence has been constructed. It includes a reading list and set of study questions for two different audiences, the new Trustee and the new Officer. All readers of this manual should begin with the sequence for new Trustees.

## ***Recommended Reading Sequence for the Governance Manual***

---

### **All Trustees**

Trustees should first read the Bylaws of the Church. Familiarization with the Governance Manual begins by reading the Table of Contents to see the complete list of Policies and then the Glossary which defines terms used throughout the manual. Policies should be read, starting with the Ends of the Church, continuing into the Role of the Trustee, and moving into the Relationship between the Board and the Executive. Eventually the entire Governance Manual should be read and understood by every Trustee.

To resolve conflicts between different rules, the hierarchy of rules is, in descending order:

1. **Federal, State, County and City Laws**
2. **West Shore Bylaws**
3. **Standing Rules of Procedure**
4. **Robert's Rules of Order, Revision 10**

## ***ENDS***

### ***Global WSUUC Statement of Purpose***

Our Mission is to inspire more people to lead lives of meaning and purpose.

We do this through:

- Transcendent worship;
  - A nurturing, inclusive community;
  - Lifespan faith development;
  - Service to others within our congregation, our local community and the world beyond;
  - Spreading the news of Unitarian Universalism and our church.
-

## ***The Principles of the Unitarian Universalist Association***

*We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote*

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

*The living tradition which we share draws from many sources:*

- Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;
- Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;
- Wisdom from the world's religions which inspires us in our ethical and spiritual life;
- Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves;
- Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit.
- Spiritual teachings of earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.

*Grateful for the religious pluralism which enriches and ennobles our faith, we are inspired to deepen our understanding and expand our vision. As free congregations we enter into this covenant, promising to one another our mutual trust and support.*

---

### ***Covenant among Members of the Board of Trustees***

Because we hold these values: the centrality of honesty, openness and directness; the primacy of the listening that seeks to understand; the redemptive worth of both challenge and celebration; the grounding virtues of kindness and trustworthiness; the vital touchstone of spiritual growth and deepening; the precious balance of autonomy and differentiation; and because we intend these values to inform the ministry we share as Board members and ministers, we covenant with one another as follows:

- We will speak with one voice once a decision has been reached. We act for the Church as a whole.
- We will come prepared to Board meetings.
- We will speak and act in ways that promote the effectiveness of our work together as a team. We will engage only in direct communication. If we have an issue or concern with another Board member or minister, we will first go directly to that Board member or minister, in the spirit of openness, honesty and with a commitment to seek a mutual solution.
- We will demonstrate a spirit of cooperation and with respect for one another's opinions. When we find ourselves in disagreement, we will strive to offer an alternative idea, rather than criticize. We will seek to understand, first, rather than to be understood.
- If we come to a difficult place in our relationship, we will quickly seek the help of our Care Team for conflict resolution.
- We will review this covenant annually as a way of sensitizing ourselves to its applicability. We will work together to modify these promises as needed.
- If we break any of these promises, we will discuss what we learned to prevent recurrences and, as appropriate, make amends.
- We understand that we serve at the pleasure of the congregation. Every decision we make is in accordance with our bylaws and is in keeping with the mission and vision of the Church.

***END Policy #D: Child and Youth Protection Policy (aka Safe Congregation Policy)***

We, the Board of Trustees of West Shore Unitarian Universalist Church, recognize the importance of creating communities where everyone, and especially our children and youth, are safe. We recognize that religious communities are particularly vulnerable to incidents of abuse because of the high level of trust, the welcoming spirit and the strong reliance and need for volunteers, especially in children's and youth programs.

We recognize the importance in a religious community of those very factors of trust, welcome, and volunteer commitment, and the necessity to adopt procedures to guard against incidents of abuse. We further realize that institutions cannot guarantee an absolutely risk-free environment.

As a people of faith, we look to our Unitarian Universalist principles to guide our policy-making. We apply our affirmation of the worth and dignity of all people and our search for justice to procedures which support our being together in community.

We recognize that to adequately address the need for safe environments, it will mean making changes and sacrificing some convenience, yet we know our responsibility is to respond to the reality of our situation and to our children and youth.

In this spirit,

- We endorse the creation and implementation of procedures for church sponsored programs and activities, to include,
  - screening and selection of workers with children and youth;
  - supervision requirements;
  - transporting of children and youth;
  - and reporting and responding to claims of abuse.
- We also charge the Director of Lifespan Faith Development and designated volunteer groups to determine appropriate procedures to promote and review this policy.

*Approved as END Policy #D - May 22, 2007*

Accordingly,

1. Tangible Gifts can include, but are not limited to, fine arts, real estate, and other property.
  2. All tangible gifts become the property of the Church once accepted.

  4. The Executive shall not fail to notify the Board of Trustees of the offers of tangible gifts with a value greater than \$1000. The Board may vote the acceptance and disposal of these tangible gifts and it may create additional policies to further describe the use of these tangible gifts.

-

## **EL Policy #8: Unpledged Monetary Gifts**

Unpledged monetary gifts to the church are most welcome and greatly appreciated. Unpledged monetary gifts are received for the benefit of the church and will be used in accordance with the Board's Ends.

The Church's Endowment consists of the Connard Fund at the Cleveland Foundation and the Agency Account at National City Bank. Since the investment policies and income paid to the church from the Connard Fund is determined by an outside trust which the church does not control, all references to "Endowment Fund" in this policy refer to the assets in the Agency Account at National City Bank.

Accordingly,

1. Unpledged monetary gifts to the Church's Endowment can include, but are not limited to, cash gifts, memorial gifts, and planned gifts including bequests.
2. All unpledged monetary gifts become the property of the Church once accepted.
3. Unpledged monetary gifts shall be accepted with these additional provisions:
  - a. If the donor describes the gift as intended for the Church's Endowment, the Executive shall not fail to assign the gift to the Endowment Fund. Such gifts are not applied to the Operating Budget.
    - i. Monetary gifts to the Church's Endowment must be formally received by the Board of Trustees. The Executive must not fail to supply an action to receive such gifts to the consent agenda of the Board. The minutes of the Board shall serve as a record of the transaction.
  - b. If the monetary gift has not been described as intended for the Church's Endowment, the Executive shall manage the gift according to the following provisions:
    - i. Designated Gifts:
      1. Designated monetary gifts for an announced special offering collection shall be accepted by the Executive for the purposes stated in the announcement of the special offering.
      2. The Board may accept designated monetary gifts or bequests greater than \$1000 intended for annual operating expense items to be used as the donor requests, and it may create policies to further describe the use of designated gifts where the donor's designation allows more detail or clarification. Monies derived from a designated gift given for specific purpose may be accrued in a special fund, year to year, to be used as the donor indicated.
      3. Designated monetary gifts of \$1000 or less may be received by the Executive and used for operating purposes by the Executive according to the donor's wishes.
    - ii. Undesignated Gifts
      1. The Board may accept undesignated monetary gifts greater than \$1000 and decide on their designation.
      2. Memorial Gifts of \$1000 or less shall be accepted by the Executive and placed in the undesignated Memorial Fund.
      3. Other undesignated monetary gifts of \$1000 or less will be accepted by the Executive, and treated as Unpledged Income in the Operating Budget.
  - c. The Executive must not fail to notify the Board of Trustees of the acceptance of any unpledged monetary gift.
4. The Church's Endowment shall be used according to the following provisions:

- a. Endowment Fund unrestricted principle may only be used with a recommendation of the Finance Committee and a 2/3 majority vote of the Board.
    - b. The Executive shall not fail to report the usage of the Church's Endowment income to the Board.
    - c. Income from the Connard Endowment shall be used as designated by a Board vote, and the designation shall stay in effect until the Board changes the designation.
  5. The Executive shall not fail to provide a means for memorials to be visibly and permanently registered and acknowledged.

-

***EL Policy #9: Ends Focus of Grants or Contracts***

In this spirit, the Executive shall not:

1. Allow grant or contract funds to be used in imprudent, unlawful or unethical ways.
  2. Fail to assess and consider a grant applicant's or contractor's capability to produce targeted and efficient results.
-

***EL Policy #10: Emergency Executive Succession***

In order to protect the Church and Board from sudden loss of Executive services, the Executive shall not fail to designate at least one other professional staff member as an emergency interim Executive; and to make sure that this designee is familiar with Board and Executive issues and processes.

---

### ***EL Policy #11: Denominational Associations***

The Executive shall not

1. Fail to maintain West Shore Unitarian Universalist Church as a certified voting member of the Unitarian Universalist Association and the Ohio-Meadville District of the UUA.
  2. Fail to maintain the Church's status as a Welcoming Congregation of the Unitarian Universalist Association.

  2. Fail to advise the Board of relevant trends, anticipated adverse media coverage, or material external and internal changes.
  3. Fail to advise the Board of any changes in conditions that would invalidate the assumptions upon which any Board policy has previously been established.
  4. Fail to advise the Board if, in the Executive's opinion, the Board is not in compliance with its own policies on Governance Process and Board Linkage, particularly in the case of Board behavior that is detrimental to the working relationship between the Board and the Executive.
  5. Fail to marshal for the Board as many staff and external points of view, issues, and options as needed for fully informed Board choices.
  6. Present information in unnecessarily complex or lengthy form that fails to differentiate among information of three types:

## ***Global Governance Process***

The Board of Trustees (the “Board”) of West Shore Unitarian Universalist Church (the “Church”) will act on behalf of the Church’s Congregation:

- to assess and represent the will of the Congregation in providing policy and direction for all activities of the Church,
  - to promote the accomplishment of the Church’s purpose and to maintain the focus of the Board on that purpose,
  - to avoid ineffective or inefficient uses of Church resources, and
  - to avoid unacceptable activities and conditions within the Church.
-

## **GP Policy #1: Governing Style**

The Board of Trustees (Board) will live out our purpose by

- setting purpose driven policies,
- determining purpose driven performance, and
- assuring said performance occurs.

The Board will govern with an emphasis on:

- Strategic leadership rather than administrative detail
- Clear distinction between Board and Executive roles
- Outward vision rather than internal preoccupation
- Encouragement of a diversity of viewpoints
- Collective rather than individual decisions
- Future rather than past or present
- Proactivity rather than reactivity.

Accordingly,

1. On any issue before it, the Board will insure that divergent views are considered in making decisions. After subjects have been discussed and voted upon, all Board members will support the action taken and speak with one voice.
2. The Board will focus chiefly on intended long-term values and impacts (“Ends”), not on the administrative or programmatic means of attaining those effects.
3. The Board will be an initiator of policy, not merely a reactor to staff initiatives.
4. The Board may use the expertise of individual members to enhance the ability of the Board as a body, but will never substitute an individual’s expert judgment for the Board’s deliberative process.
5. The Board will direct, control, and inspire the organization through the careful establishment of the broadest organizational values and perspectives (“Policies”). Policies will address:
  - a. Ends: what benefits for which needs at what cost (cost being the financial and human resources necessary to accomplish the Ends),
  - b. Executive Limitations: boundaries of prudence and ethics to be observed by the Executive, professional staff, and volunteers,
  - c. Governance Process: Board roles and responsibilities, and
  - d. Board-Executive relationship: linkage and interactions between the Board and the Executive.
6. The Board will enforce whatever discipline is needed to govern with excellence. Discipline will apply to matters such as attendance, preparation for meetings, policy-making principles, and respect for defined roles.
  - a. In accordance with this discipline, the Board will only address a topic after it has answered these questions:
    - i. Whose issue is this? Is it the Board’s or the Executive’s? Is this a shared issue?
    - ii. Has the Board dealt with this subject in a policy? If so, what has the Board already said on this subject and how is this issue related? If the Board has already addressed the matter, does the Board wish to change what it has already said?
    - iii. If the matter is several levels below Board level, what is the broadest way to address this issue so that it is still under existing Board policy? Does that policy suffice to deal with our concern?

7. The Board will commit to ensuring the continuance of governance capability through continual Board development, including orientation of new Board members in the Board's governance process and periodic Board discussion of process improvement.
  8. The Board will be accountable to the Congregation for competent, conscientious, and effective accomplishment of its obligations as a body. It will allow no officer, individual, or committee of the Board to usurp this role, hinder its discipline, or be an excuse for not fulfilling its commitments.
  9. The Board will monitor and regularly discuss the Board's own process and performance. The Board, not the staff or Executive, will be responsible for Board performance.
  10. The Board will operate with transparency and open process in accordance with the Bylaws.
  11. The Board will ensure the continuity of Board initiatives through systematic treatment of its own institutional memory.
-

## **GP Policy #2: Board Job Description**

The Board acts on behalf of the Congregation, sets policies, and evaluates the Minister(s) performance. The Board serves as the governing body of the Church. It assesses and represents the will of the Congregation in providing policy and direction for all activities of the Church.

In this spirit,

1. The Board is the link between the Executive and the congregants and acts on behalf of the Congregation.
  2. The Board will produce written governing policies that, in the broadest levels, address organizational decisions in four categories:
    - a. Ends – Organizational products, effects, benefits, outcomes, recipients and their relative worth (What Good for Which Recipients at What Cost?)
    - b. Executive Limitations – Constraints on Executive authority which establish the prudence and ethics boundaries within which lies the acceptable arena of Executive activity, decisions, and organizational circumstances.
    - c. Governance Process – Specification of how the Board conceives, carries out, and monitors its own tasks.
    - d. Board and Executive Linkages – How authority is delegated and how its proper use is to be monitored.
  3. The Board is responsible for appointing the Executive, which may be an individual or a team.
  4. The Board will delegate all responsibility and authority to carry out the activities of the Church to the Executive.
  5. The Board will assure Executive performance through monitoring and evaluation in accordance with the Executive Linkage policies.
-

### **GP Policy #3: Trustee and Officer Code of Conduct**

The Board commits itself, Trustees, and Officers to ethical, businesslike, churchlike, and lawful conduct, including proper use of authority and appropriate decorum when acting as Trustees and Officers.

In this spirit,

1. Trustees and Officers must represent unconflicted loyalty to the interest of the congregants. This accountability supersedes any conflicting loyalty to or advocacy for other interest groups inside or outside the church. It also supersedes the personal interest of any Board member acting as a consumer of the church's services.
2. Trustees and Officers must avoid conflict of interest or any appearance of conflict of interest with respect to their fiduciary responsibility.
  - a. There must be no self-dealing or any conduct of private business or personal services between any Board member and the Church administration (Executive and employees) except that which is procedurally controlled, in order to assure transparency, competitive opportunity, and equal access to inside information.
  - b. When the Board is to decide upon an issue about which a Board member has an unavoidable conflict of interest, that member shall absent herself or himself without comment from not only the vote, but also from the deliberation, by leaving the meeting. The minutes must reflect that this occurred.
  - c. Trustees and Officers must not use their positions to obtain Church employment for themselves, family members, or close associates. Should a member desire such employment, he or she must first resign from the Board.
3. Trustees and Officers will respect the confidentiality appropriate to issues of a sensitive nature.
  - a. Board matters of a sensitive nature are to be discussed only with the current membership of the Board of Trustees, including the Treasurer and ministers.
  - b. When the Board goes into executive session, everything discussed is to remain confidential, except for decisions reached which are to be recorded in the minutes.
4. Trustees and Officers may not attempt to exercise individual authority over the organization except as explicitly set forth in Board policies.
  - a. The Board speaks with one voice or not at all. Trustees and Officers shall support the Board's decision and shall not act in any way to undermine that decision.
  - b. Members' interaction with the Executive or with staff must recognize the lack of authority vested in individuals except when explicitly Board authorized.
  - c. Members' interaction with public press or other outside entities must recognize the same limitation and the inability of any Board member to speak for the Board except to repeat explicitly stated Board decisions.
  - d. Members will take no action regarding, nor give voice to individual judgments about Executive or staff performance outside of Board meetings.
  - e. Members will make no judgments of the Executive or staff performance except as that performance is assessed against explicit board policies using a Board-structured evaluation process.
5. A Trustee who is absent without reasonable cause, as approved by the President of the Board, for three consecutive regular meetings of the Board shall be removed from the Board, upon vote by the Board, and shall be so notified by the Secretary.

6. Questions of discipline for Trustees and Officers shall be handled in accordance with Chapter XX of Robert's Rules of Order Newly Revised.
7. Each Trustee has specific responsibilities which include:
  - a. Be Members in good standing who have made a pledge of record and fulfilled that obligation
  - b. Be familiar with the Church Bylaws and other governing documents, including this manual.
  - c. Meet policy requirements for Board attendance and come to meetings prepared for policy and decision-making.
  - d. Be knowledgeable and conversant with Church budgets and financial statements.
  - e. Regularly attend Board meetings, church services, and other functions.
  - f. Participate actively in the Annual Canvass and other major fundraisers of the Church.
  - g. Care for the health of the church.
  - h. Clearly identify when speaking or acting as an individual member of the Church
8. The Board as a whole shall:
  - a. Assure the financial responsibility of the Church and ensure that it operates in a fiscally responsible manner.
  - b. Review and approve annually the Church budget and any major financial actions of the Church, such as capital expenditures.
  - c. Partner with the Ministers in achieving the purpose and goals of the Church
  - d. Develop, monitor and maintain the Ends of the Church.

*Revised March 03, 2009*

---

Board agendas will be used to ensure that all important Board business is addressed in a timely basis and to facilitate an orderly sequence of Board items.

In this spirit,

1. All regularly scheduled Board meetings shall have an agenda, to be compiled by the Executive Committee.
    - a. Any Board member or the Executive may place an item(s) on the agenda, provided that:
      - i. It is proper business for the Board and not the Executive. Executive Business be turned over to the Executive.
      - ii. It is not an administrative matter that will unduly distract the Board's attention from its focus as described in GP Policy #1. Where possible, such items will be delegated to an ad hoc committee of the Board, which will bring back recommendations to the full Board.
  2. Normally, items should be submitted prior to the Executive Committee meeting;
    - a. an item may be submitted after that timeframe, according to the rules stated in the Standing Rules of Procedure.

    - e. a space for congregants to talk to the Board
  5. The Board will attend to consent agenda items as expeditiously as possible.
  6. Unscheduled Executive monitoring will be included on the agenda only if:
    - a. Monitoring reports show possible policy violations
    - b. Policy criteria are to be discussed, or
    - c. The Board, for any reason, chooses to discuss amending its monitoring schedule.
-

### ***GP Policy #7: Board Committee Principles***

The Board may establish committees to help carry out its responsibilities. Committees will be used sparingly and ordinarily in an ad hoc capacity to preserve the Board functioning as a whole and will never interfere with the delegation from the Board to the Executive.

Accordingly,

1. Board committees may not speak or act for the Board except when formally given such authority by the Board for specific and time-limited purposes. Expectations and authority will be carefully stated in order not to conflict with authority delegated to the Executive.
  2. Board committees are to help the Board do its job, not to help or advise the staff. Committees ordinarily will assist the Board by preparing policy alternatives and implications for Board deliberation. In keeping with the Board's broader focus, Board committees will normally not have direct dealings with current staff operations.
  3. A Board committee which has helped the Board create policy on some topic will not be used to monitor organizational performance on that same subject.
  4. The President is free to appoint special task forces for specific short-term objectives or to carry out special tasks that will facilitate the work of the Board. Any appointments will be reported to the Board, ordinarily as part of the consent agenda.
  5. This policy applies to any group which is formed by Board or President action, whether or not it is called a committee and regardless of whether the group includes Board members. This policy does not apply to committees formed under the authority of the Executive.
-

### **GP Policy #8: Board Committee Structure**

A committee is a Board committee only if its existence, charge and composition are determined by the Board to assist the Board in its work, or it is set forth as a Board committee in the Bylaws, regardless of whether Board members sit on the committee. Unless otherwise stated, a Board committee ceases to exist as soon as its task is complete.

Accordingly,

1. There are two committees which are established as Board committees by the Bylaws, and which assist the Board in its work.
  - a. These committees are governed by GP Policy #7: Board Committee Principles.
  - b. The Executive Committee shall consist of the President, Vice President, Secretary, and a Trustee at large. It shall:
    - i. Set meeting dates for regular and special meetings;
    - ii. Set the agenda for every meeting;
    - iii. Apply the same rules of decorum as the Board's except that disputes in Executive Committee may be brought to the full Board;
    - iv. Refer issues to the Executive; and
    - v. Take emergency action between meetings of the Board.

### ***GP Policy #9: Cost of Governance***

Because poor governance costs more than learning to govern well, the Board will invest as necessary in its governing capacity, both at the Board and the Congregational levels.

In this spirit,

1. Board skills, methods, and supports will be sufficient to assure governing with excellence.
  2. Training and retraining will be used liberally to orient new officers, Trustees and candidates for election, as well as to maintain and increase existing Trustees' skills and understandings.
  3. Outside monitoring assistance will be arranged so that the Board can exercise confident control over organizational performance. This includes but is not limited to fiscal audit.
  4. Outreach mechanisms will be used on an ongoing basis to insure the Board's ability to listen to Congregational viewpoints and values.
  5. Costs will be prudently incurred, though not at the expense of endangering the development and maintenance of superior capability. The amount will be decided for each fiscal year prior to the approval of that year's budget.
-

***GP Policy #10: Adoption and Modification of Policies***

With respect to matters of Policy of the Church, there will be two readings of the proposed Policy. The first reading would put the proposal on the table. With a favorable vote, it will be considered at the next regular Board meeting. Adoption requires a majority vote of the Board.

---

### ***GP Policy #11: Child Care Center Governance***

The mission of the West Shore Child Care Center, as a program of the Church, is to promote the well-being of children in our community by providing quality, affordable child care and by supporting their families.

In this spirit, the Board will

1. Supervise the Administrative Board which governs the affairs of the Child Care Center
  2. Review and annually approve the budget of the Center.
  3. Designate a Trustee to attend Administrative Board meetings as an ex-officio member, without vote.
  4. Hire the Director of the Child Care Center in consultation with the Executive.
-

### ***GP Policy #12: Emeritus Council***

West Shore strives to honor its past. In this spirit, the Emeritus Council was established as an advisory group to the Board. Historically, meetings have been scheduled for Saturday brunches, with duration of two hours.

Accordingly,

1. The Emeritus Council will gather when called, as per the rules of a Special Meeting. These Special Meetings will be called at a time and with a topic determined by the Board and must occur at least once each church year.
  2. Membership includes all past Trustees who remain members of the Church.
  3. Annually, the Board will appoint a convener of the Emeritus Council which by tradition is the immediate Past President.
-

## **GP Policy #13: Conflict Management Policy**

END Policy #A: CARE Covenant outlines our commitment to CARE for one another in our church community by acting with Courtesy, Acceptance, Respect, and Engagement. Recognizing that disagreement and conflict are inherent in human relationships, we use this Covenant to guide the interactions among members of our church community. We also recognize that occasions may arise requiring assistance to address and resolve interpersonal conflict. This Conflict Management Policy, in conjunction with **EL Policy #1: Treatment of Congregants**, provides a guide for handling conflict resolution regarding matters of our church life in accordance with the CARE Covenant and applies to all congregants.

Accordingly,

1. Should conflict arise between congregants, the expectation is that the parties involved approach the situation
  - a. In a manner consistent with the CARE Covenant
  - b. In the spirit of peace, patience, humility, and tolerance
  - c. By owning their own role in creating the conflict
  - d. By being
    - i. Quick to listen
    - ii. Slow to judge
    - iii. Willing to negotiate and work through the disagreement constructively
    - iv. Role models for others
2. The CARE Covenant Team is described in **Appendix F: Committees of the Board**, and the members are authorized to assist in the resolution of conflict between the parties involved when requested by one or more of those involved.
  - o One or more of the parties in conflict may seek assistance of the CARE Team after attempts at successful, mutual resolution are not achieved.
  - o The CARE Team may suggest an appropriate process for conflict resolution, acting within the framework of **END Policy #A: CARE Covenant** and the **Principles of the Unitarian Universalist Association**.
    - If deemed necessary, the CARE Covenant Team may call upon resources inside and outside the immediate church community, such as arbitrators within the Ohio Meadville District or the Unitarian Universalist Association. Should unbudgeted expenditures be required to effect this outside assistance, appropriate approvals shall be obtained in advance of the expenditure consistent with GP Policy #9: Cost of Governance and EL Policy #4: Financial Planning and Budgeting.
  - o All matters brought to the CARE Covenant Team are kept confidential. Records, electronic files and written notes pertaining to the matter are maintained as confidential by the Historian.
  - o Confidential information may be shared with parties involved with the handling of the conflict at the discretion of the CARE Covenant Team.
3. Since the CARE Covenant Team will strive to maintain appropriate confidentiality for all parties involved, it is also important for the parties to the conflict to maintain confidentiality. Triangulation and escalation of the conflict shall be avoided. It is not appropriate for the parties involved to lobby others in the Congregation, directly or indirectly, to support a specific point of view on an issue. Such actions are further violations of the CARE Covenant.
4. Should the parties in conflict be unable to reach resolution with the support of the CARE Covenant Team, the CARE Covenant Team may present additional options for handling the conflict.
  - o They may elect to
    - Let the parties agree to disagree in a respectful manner, OR

- Refer the conflict confidentially to the Executive Committee of the Board of Trustees for additional advice and guidance.
5. Should satisfactory resolution continue to be elusive, the CARE Covenant Team and the Executive Committee shall take the matter to an executive session of the full Board of Trustees, consistent with **GP Policy #3: Trustee and Officer Code of Conduct**, to initiate consideration of the Termination of Membership process, as described in the **WSUUC By-laws, Article III, Section 4**. If a person involved in the unresolved conflict is not a member of West Shore, the Board shall consider asking that person not to return to the building.
  6. Because individuals party to an unresolved conflict violate all tenets of the CARE Covenant, which the Congregation considers as the guide to its life together, terminated members and nonmembers alike will be asked to not return to West Shore unless steps are taken to resolve the heretofore unresolved conflict and renew the covenantal relationship.
  7. A member of the CARE Covenant Team may be removed from the CARE Covenant Team. The member of the Team must be considered to be ineffective or to be behaving inappropriately in the role of Team member and/or with regard to END A: CARE Covenant. This action requires a 2/3 vote of the combined membership of the Ministry Team and the Executive Committee of the Board of Trustees in a joint meeting of these groups called for the specific purpose of considering such a removal.
  8. Members of the CARE Covenant Team must avoid conflict of interest or any appearance of conflict interest with respect to their handling of any conflict resolution.

*Adopted January 18, 2011*

### ***GP Policy #14: Ministerial Candidate Sponsorship***

West Shore is an institution that prides itself on Ministerial education and training.

In this spirit, the formal process by which West Shore sponsors Ministerial candidates will be:

1. The prospective candidate will inform the Board of his or her intention to pursue ministerial studies.
2. The candidate will briefly describe or portray his or her engagement with, or relationship to, West Shore UU Church.
3. The candidate will submit a copy of his or her seminary application to the Board.
4. The candidate may submit a brief letter of support from a congregant at West Shore, either a minister or member.
5. Application Review occurs at two Board meetings:
  - a. The Board may interview the candidate at the first Board meeting.
  - b. A vote of support by the Board occurs at the second Board meeting and will constitute Congregational sponsorship.
6. Following a vote of Congregational sponsorship, the candidate will receive a signed statement of sponsorship.

*Adopted March 2005*

## ***Global Board-Executive Linkage***

The Board's sole official connection to the operational organization, its achievements and conduct, will be through the Executive.

---

### ***LNK Policy #1: Unity of Control***

Only decisions of the Board acting as a body are binding on the Executive.

In this spirit,

1. Decisions or instructions of individual Board committees, officers, or Trustees are not binding on the Executive except in rare instances when the Board has specifically authorized such exercise of authority.
  2. In the case of Trustees, officers, or Board committees requesting information or staff assistance without Board authorization, the Executive can refuse such requests that require, in the Executive's opinion, a material amount of time or funds, or are disruptive.
-

## ***LNK Policy #2: Accountability of the Executive***

The Executive is the Board's only link to operational achievement and conduct, so that all authority and accountability for staff and volunteer committees, as far as the Board is concerned, is considered the authority and accountability of the Executive.

In this spirit,

1. The Board will never give instructions to persons who report directly or indirectly to the Executive.
  2. The Board will refrain from evaluating, either formally or informally, any professional staff other than the Executive or the ministers.
  3. The Board will view Executive performance as identical to organizational performance, so that organizational accomplishment of Board-stated ends and avoidance of Board-prohibited means will be viewed as successful Executive performance.
-

### ***LNK Policy #3: Delegation to the Executive***

The Board will delegate authority to the Executive through written policies that prescribe the organizational Ends to be achieved and describe organizational situations and actions to be avoided, allowing the Executive to use any reasonable interpretation of these policies.

Accordingly,

1. The Board will develop policies instructing the Executive to achieve certain results, for certain recipients, utilizing specified resources. These Board policies will be developed systematically from the broadest, most general level to more defined levels, and will be called Ends (END) policies.
  2. The Board will develop policies that limit the latitude the Executive may exercise in choosing organizational means. These Board policies will be developed systematically from the broadest, most general level to more defined levels, and they will be called Executive Limitations (EL) policies.
  3. As long as the Executive uses a reasonable interpretation of the Board's Ends and Executive Limitations policies, the Executive is authorized to establish any further policies, make any decisions, take any actions, establish any practices, and develop any activities.
    - a. The Executive is authorized and responsible for delegating tasks to others capable of carrying them out.
    - b. The Executive is authorized and responsible for supervising staff to correct problems and/or enhance strengths.
  4. The Board may change its Ends and Executive Limitations policies, thereby shifting the boundary between Board and Executive domains. By doing so, the Board changes the latitude of choice given to the Executive. But as long as any particular delegation to the Executive is in place, the Board will respect and support the Executive's choices.
-

### **LNK Policy #4: Fundraising**

Financial planning and budgeting of the church occurs for each fiscal year. As a part of financial planning, fundraising monies are forecast and budgeted as revenue of the church. Fundraising activities shall not deviate materially from the Ends.

In this spirit,

1. The approval, operational organization and conduct of all fundraisers will be through the Executive who will have authority over all aspects of the fundraising efforts, including but not limited to the use of the building, the calendar and staff (paid and volunteer).
  - a. Profits from any fundraiser belong to the church and are subject to normal accounting procedures.
  - b. If a fundraiser produces a profit beyond its original goal, that surplus will be deposited to the church's general operating fund, or to an off-budget fund dedicated to the fundraiser's purpose.
  
2. The Executive shall not:
  - a. fail to place on the consent agenda of the Board the approval of any fundraiser that, within any one fiscal year:
    - i. will raise more than \$4,000, or
    - ii. require an expenditure of resources exceeding \$2,000, or
    - iii. is contrary to the Ends, or
    - iv. is submitted by the Social Action Grants Committee.
  - b. fail to provide sufficient information to the Board enabling credible projection of revenues and expenses. This includes the disclosure of planning assumptions, volunteer time, expenses, and fundraising results.
  - c. fail to be responsible for achieving the goals of the fundraiser, though this responsibility may be shared by the Board when the Executive asks the Board for help and the Board agrees.
  
3. The Board shall not include in the Operating Budget any fundraising income that equals or exceeds \$5,000 without the following conditions being met:
  - a. There exists an execution plan for the fundraiser, and
  - b. The Board has committed to providing volunteer staff support for the fundraiser.

*Adopted Jan 19, 2010*

---

### ***LNK Policy #5: Intentional Policy Violation***

Should the Executive deem it necessary to violate Board policy, he or she shall inform the Board President or another Trustee if the Board President is not available. Informing is simply to guarantee that no violation is intentionally kept from the Board, not to request approval. Trustee response, either approving or disapproving, does not exempt the Executive from subsequent Board judgment or action, nor does it impede the Executive decision.

---

**LNK Policy #6: Monitoring Executive Performance**

Executive performance will be systematically and rigorously monitored. Monitoring Executive performance is synonymous with monitoring organizational performance against Board policies on Ends and on Executive Limitations.

Monitoring will be as automatic as possible, using a minimum of Board time so that meetings can be used to create the future rather than review the past.

In this spirit,

1. The purpose of monitoring is simply to determine the degree to which Board policies are being fulfilled. Information that does not do this will not be considered to be monitoring.
2. A given policy may be monitored by one or more of the following three methods:
  - a. Internal report: Disclosure of the compliance information to the Board from the Executive.
  - b. External report: Discovery of compliance information by a disinterested, external auditor, inspector or judge who is selected by and reports directly to the Board. Such reports must assess Executive performance only against policies of the Board. External is defined as someone outside of the church.
  - c. Direct Board inspection: Discovery of compliance information by a designated Trustee, a Board committee, or the Board as a whole or an agent of the Board. This is a Board inspection of documents, activities or circumstances directed by the Board that assesses compliance with the appropriate assessment criteria.
3. In every case, the standard for compliance shall be any reasonable Executive interpretation of the Board policy being monitored.
4. Each Ends and Executive Limitation policy will be monitored at a frequency and by a method chosen by the Board. The Board can monitor any policy at any time by any method, but will ordinarily depend on a routine schedule.
5. As often as possible, Executive reports should be included in the Board mailing for regularly scheduled Board meetings so that Trustees may thoroughly review them prior to the meeting.

### ***LNK Policy #7: Executive Compensation and Benefits***

The Church will provide to the Executive a mutually agreed upon total compensation and benefits package.

Accordingly,

1. The Church will provide to the Executive a total compensation and benefits package to be allocated to the following categories: Salary, professional expenses, pension, insurance and leave. This package will be negotiated and mutually agreed upon by the Board of Trustees and the Executive.
    - a. If the Executive is also a minister then a clergy housing allowance may be included.
  2. The Board of Trustees will review and specify the Executive's compensation annually.
    - a. If the Executive is also a minister then this review will be conducted in consultation with the Committee on Ministry who may recommend adjustments to the Board of Trustees.
  3. The Executive and the Board of Trustees shall consider compensation changes as a part of the normal budgeting process.
-

## **LNK Policy #8: Disciplinary Policy**

The Board will pursue the following process in the event that it determines a policy violation has occurred and it judges that the degree and seriousness of the violation warrants initiating a disciplinary process.

Warnings will be noted as such in writing in the Executive personnel file, to establish appropriate documentation of said step:

1. Verbal warning - This requires more frequent monitoring of the violated policy. The Executive will present to the Board at the next Board meeting (via the Board mailing prior to the meeting) his or her plan to remediate the violated policy.
2. First written warning - This step will be taken if there is no noticeable improvement in the Executive's willingness and/or ability to refrain from the policy violation following a reasonable period of time for the Executive to implement changes and for the Board to monitor them.
3. Second written warning - This step will be taken if the policy violation continues. The Board at this point may also determine whether to notify the Congregation, the means of doing so, and the content of the communication.
4. Unless the individual is a called minister, the Board will determine whether to suspend (with or without pay) or to terminate the individual as Executive for continued policy violations. This requires a 2/3 vote of the Board. If the Executive is a called minister, the Board will make a decision whether to terminate the called minister as Executive for continued policy violation. This also requires a 2/3 vote of the Board. The Board will meet with the minister to determine how to address his or her departure as Executive.
5. The Board may take such other action as it deems appropriate and necessary. In the event of extraordinary circumstances, and with a 2/3 vote, this may include bypassing the foregoing steps.

## ***Global Ministry Policy***

West Shore has a rich and varied history. Not every policy conforms to the Policy Governance model. While every attempt has been made to incorporate existing policies into the Policy Governance model, some policies, particularly those related to the role of the Ministers, stand apart from the model and retain their unique and important qualities.

---

### ***MS Policy #1: Ministerial Code and Guidelines***

The Code and Guidelines of the Unitarian Universalist Ministers Association shall serve as the standard of ethical and professional behavior for the ordained ministers of the church. The Code and Guidelines shall also serve as the resource for negotiation and the building of a relationship of mutual respect between the Board and the ministers. West Shore Unitarian Universalist Church has the following exceptions to the UUMA Guidelines:

- 1) Confidences in the context of a counseling relationship may be shared among the congregation's ministers as a way of strengthening the counseling relationship, and
- 2) Ministers will offer only short term counseling and refer members to suitable resources in the community when longer term counseling is needed.

*Adopted August 2000 and revised May 2007*

---

## ***MS Policy #2: Sabbatical Leave Policy***

Each full-time minister at West Shore Unitarian Universalist Church shall be granted one month of sabbatical leave for each full year of service to the church, not to accrue beyond a maximum of six months. A sabbatical may not be taken prior to the completion of five full years of service. A sabbatical is to be used for professional development and a plan must be approved by the Board of Trustees. The Congregation must then approve the sabbatical.

The ministers of the church may not take sabbatical leave either concurrently or consecutively.

Upon completion of a sabbatical leave, the Minister must return to service at West Shore for at least one full year.

In the event of a resignation or dismissal, accrued sabbatical leave shall not be paid in financial equivalent.

*Adopted November 27, 1989  
Revised and adopted April 2000*

### ***MS Policy #3: Director of Lifespan Faith Development***

If there is no Minister of Religious Education, the Board, with the recommendation of the Ministry Team, shall appoint a Director of Lifespan Faith Development whose duties are determined by the Ministry Team.

1. The Ministry Team must not fail to submit to the consent agenda of the Board a candidate for appointment to the position of Director of Lifespan Faith Development (DLFD).
2. The DLFD, once appointed by the Board by consent agenda, reports directly to the Ministry Team and is considered to be part of the Church staff with all of the privileges and responsibilities of staff.
3. In order to facilitate reporting on behalf of Lifespan Faith Development, the Board invites the Ministry Team to permit the DLFD to directly report to the Board.
  - a. The Ministry Team may, at his or her discretion, invite the DLFD to directly represent Lifespan Faith Development, at any or all Board meetings.
  - b. When the DLFD directly represents Lifespan Faith Development to the Board, the DLFD shall have a full voice at the meeting, but not the ability to make motions or vote.

*Revised March 03, 2009*

## ***Appendix C: Bylaws***

### **West Shore Unitarian Universalist Church Amended JUNE 13, 2008**

#### ***ARTICLE I: THE CHURCH***

##### **Section 1. Purpose**

The purposes of the corporation known as “West Shore Unitarian Universalist Church,” hereinafter called the “Church” (Congregation), are expressed in the Church’s Statement of Purpose:

Our Mission is to inspire more people to lead lives of meaning and purpose.

We do this through:

Transcendent worship; a nurturing, inclusive community; lifespan faith development; service to others within our congregation, our local community and the world beyond; spreading the news of Unitarian Universalism and our church.

##### **Section 2. Affiliations**

The Church is affiliated with the Unitarian Universalist Association and Ohio-Meadville District and such other bodies as its Members determine.

#### ***ARTICLE II: GOVERNANCE***

##### **Section 1. Congregational Authority**

The ultimate authority for all matters pertaining to the operation of the Church rests with the Congregation, which consists of the voting membership of the Church, and functions as a legally constituted body at its Annual and Special Meetings. The Congregation elects the Board of Trustees and the Nominating Committee and calls the Parish Minister(s) and the Minister of Religious Education (see also Article IV, Section 2 and Article V, Section 3.)

##### **Section 2. Board of Trustees’ Authority**

The Board of Trustees (Board) acts on behalf of the Congregation, sets policies, appoints and oversees the Executive, and evaluates the Minister(s)’ performance. The Board serves as the governing body of the Church. It assesses and represents the will of the Congregation in providing policy and direction for all activities of the Church. The Board works closely and collaboratively with the Ministry Team and the Executive of the Church in carrying out the vision and programs of the Church. The Board operates as a unit; individual Trustees have no authority to act or make decisions unilaterally.

The Board is responsible for the creation and monitoring the Ends of the Church. The Ends serve as the basis for ongoing activities of the Church, and are monitored and modified as necessary on an ongoing basis.

##### **Section 3. Ministry Team Authority**

The Ministry Team consists of the Parish Minister(s) and the Minister of Religious Education (see Article VIII, Section 2g). They work cooperatively to provide professional leadership to the

Church. All Ministers report to the Congregation at all-Church meetings as well as through the Board. Specific duties and responsibilities are provided by individual job descriptions that are approved by the Board. Each ministerial position annually submits to the Board a Statement of Vision that sets specific goals for the forthcoming year and provides a basis for evaluation.

The Minister(s) are responsible to the Board for the spiritual leadership of the Church, its religious activities, its pastoral functions and the development and administration of a lifespan Religious Education (RE) program. The Minister(s) serve as Ex-Officio Members, without vote, of all committees except the Nominating Committee or a Ministerial Search Committee.

#### **Section 4. Executive Authority**

The Executive is responsible for the administration and day-to-day management of the church, supervision of the Child Care Center Director, and supervision and evaluation of the paid staff. The Executive operates within policy limitations as defined by the Board of Trustees. The Executive serves as Ex-Officio Member, without vote, of all committees except the Nominating Committee, Ministerial Search Committee, or the Committee on Ministry.

### ***ARTICLE III: MEMBERSHIP***

#### **Section 1. Qualifications for Membership**

Application for membership in the Church is open to all persons who are 16 years of age or older and are in sympathy with the Principles and Purposes of the Unitarian Universalist Association and the Statement of Purpose of the Church.

No applicant who meets the membership criteria shall be denied admission to Membership.

#### **Section 2. Definitions of Members and Friends**

A Member is one who has affirmed a commitment to the Church by signing the Membership Book and by making an annual pledge or contribution of record for the support of the church. In special circumstances, determined by a Minister, this requirement may be waived. The signing of the Membership Book must be witnessed by a Minister and a Member of the Board or Membership Committee. The Members constitute the official roll for purposes of reporting membership to the Unitarian Universalist Association and the Ohio-Meadville District.

A Friend is one who pledges or makes a contribution of record for the support of the church but either has not signed the Membership Book or requests Friend status. A Friend may serve on committees and hold appointive positions, but cannot vote at all-Church meetings nor hold elective office.

#### **Section 3. Voting Rights**

The right to vote at any all-church meeting is limited to persons who at the time of such meeting are Members of the Church (See Article III, Section 2).

Each Member has one vote. There is no proxy voting or cumulative voting (in which the voter could give more than one of his or her votes to one candidate).

#### **Section 4. Resignation and Termination of Membership**

Any Member may resign Membership by written notice to the Board.

The Board, following consultation with the Membership Chair and a Minister, may terminate a Membership by two-thirds vote, with reasonable notice to the Member, if:

- a) the Member's address becomes unknown.
- b) the Member fails to fulfill the pledge requirement for the previous year by September 30 of the current year, if not waived.
- c) the Member's actions are harmful or threatening to the Church.

In the event of a change in circumstances or disagreement by the Member whose membership was resigned or terminated, the Member may appeal to the Board for reconsideration.

#### **Section 5. Reinstatement of Membership**

Membership may be reinstated in accordance with Article III, Sections 1-4, upon approval of the Membership Committee Chair and an affirmative two-thirds vote of the Board.

#### **Section 6. Property Rights**

No Member has rights in or to any type of property of the Church at any time.

### ***ARTICLE IV: MEETINGS OF THE CHURCH MEMBERS***

#### **Section 1. Annual Meeting**

The Annual Meeting of the Church is held no earlier than the second Friday in May nor later than the second Friday in June of the current fiscal year at a time and place designated by the Board. The purposes of the meeting are to:

- a) present the Annual Reports (the report of the Treasurer being only an interim report covering 10 months).
- b) announce the elected Trustees and Nominating Committee Members and Officers.
- c) discuss and vote on motions and resolutions properly presented.
- d) transact other business which may properly come to the Annual Meeting.

#### **Section 2. Special Meetings**

Special Meetings of the Church may be called by the Board at any time or shall be called by the President upon receipt of a request in writing signed by at least five percent of the Members of the Church and setting forth the purpose of the meeting. Such meeting shall be held within 30 days of receipt of the request by the President. Only such matters as are specified in the call may be considered at a Special Meeting.

#### **Section 3. Notification of All-Church Meetings**

Notice of each all-Church meeting, i.e., Annual Meeting or Special Meeting of the Church, shall be given from the pulpit at all services on the two Sundays immediately preceding the meeting. All Members shall be sent an announcement of the meeting by mail at least 10 days prior to the meeting. At the same time, the notice is to be posted on the Church bulletin board and on the Church Website. Such notice must clearly state the time and place of the meeting and, in the case of a Special Meeting, the specific purpose.

#### **Section 4. Quorum**

Ten percent of the voting Members constitutes a quorum, except for the purpose of selecting or dismissing a Minister the quorum is 25 percent of the Members (see Article VIII, Section 2c and Section 5 regarding the vote required). A list of those who will be eligible to vote as of the date of any meeting shall be posted on the Church bulletin board at least ten days prior to the meeting.

## **ARTICLE V: ELECTIONS**

### **Section 1. Expiration of Term**

The terms of office of the Trustees and the Nominating Committee Members expire at the close of the Annual Meeting or following the election of their successors by the Members.

### **Section 2. Composition of the Nominating Committee**

The Nominating Committee consists of six Members of the Church who are elected for a term of two years or until their successors are elected, and are not eligible for re-election until two years after expiration of their terms. When a vacancy occurs on the Nominating Committee between Annual Meetings, the President appoints a replacement, subject to approval by the Board. The replacement then serves a partial-year term, until the next Annual Meeting.

After each annual election, the immediate past Chair of the Nominating Committee will convene a meeting to elect a new Chair or Co-Chairs.

### **Section 3. Duties of the Nominating Committee**

Each year the Nominating Committee is responsible to the Congregation for selecting a slate of three nominees for the three Board positions to be filled and in addition nominating one nominee to fill any position that became open as a result of a midterm vacancy and/or appointment and specifying the term proposed for each nominee. Members of the Nominating Committee are not barred from becoming nominees for the Board themselves, but no Member may serve on the Board and Nominating Committee simultaneously.

The Committee also selects six nominees for the succeeding Nominating Committee, only three of whom are to be elected. In the event of one or more vacancies on the Nominating Committee, even if they were previously filled by appointment, the Committee selects, in addition, two nominees for each vacancy, only half of whom are to be elected.

Both nominee lists reported by the Nominating Committee shall be posted on the bulletin board and Website no fewer than 30 days prior to the Annual Meeting.

Nominations for election to the Board and the Nominating Committee may also be made by petition of 20 or more members, addressed to the President, and served on any Officer at least 20 days prior to the Annual Meeting, and containing the written consent of the nominee. Such petition, or a true copy thereof, shall be posted on the Church bulletin board and Website not more than five days after it is served on the President or other Officer.

The Nominating Committee annually assesses the skills and backgrounds needed to strengthen the Board. It may advise the Board about such training activities and opportunities as are needed to prepare Members of the Congregation for leadership roles. The Nominating Committee may assist the Board, Ministry Team, and Executive in seeking qualified and interested volunteers to assume specific positions of responsibility when the Nominating Committee and the other party mutually agree to such assistance.

### **Section 4. Election Procedures**

The election of Trustees and Nominating Committee Members takes place by mail. Ballots are prepared alphabetically, with names rotated to avoid alphabetical bias. One ballot shall be sent to each voting Member, as defined in Article III, Section 3. Ballots must include any nominations received by any petition in accordance with the procedure specified in Article V, Section 3. The ballots shall be mailed between 13-15 days before the Annual Meeting date. Only those ballots received at the Church office by noon on the Annual meeting date shall be counted. Two tellers appointed by the President shall count the ballots.

If the Members fail to elect a Trustee or Nominating Committee Member because of a tie vote, the voting Members present at the Annual Meeting shall then and there elect by written ballot from among the tied candidates. Two tellers appointed by the President shall count the ballots.

In any election at which multiple candidates are to be elected, a plurality vote, in which the candidates receiving the largest number of votes are elected, is sufficient for election.

## **ARTICLE VI: BOARD OF TRUSTEES**

See Article II, Section 2, Board of Trustees' Authority

### **Section 1. Number, Term and Qualification of Trustees**

The Board of Trustees consists of 9 Trustees elected for terms of three years in accordance with Article V, all with equal powers and all of whom are members of the Church. (See Article VI, Section 5 regarding vacancies.)

The Immediate Past President, if not a continuing Trustee, is an Ex-Officio Trustee for the year following the completion of the term of presidency, having the full rights (including, but not limited to, the rights to make motions and vote), but not an obligation, to participate in the proceedings of the Board, and is not counted in the quorum.

### **Section 2. Nomination, Election, and Appointment of Officers**

At the Annual Meeting, when the new Trustees are announced, the new Board shall retire to elect their officers and return to announce the new officers before the end of the meeting.

At the same time, a Treasurer and a Historian are appointed annually by the Board from among the Church Membership and may be reappointed.

Each Officer serves for one year until the conclusion of the next Annual Meeting or until his or her successor is duly elected. Elected Officers may be reelected to subsequent terms while serving on the Board. In the event that any Board Office, including that of the President, is vacated, the unfilled position is filled at the next meeting of the Board by a majority vote of the Board.

### **Section 3. Executive Committee**

The elected Board Officers and one other Trustee, appointed by the President with consent of the Board, constitute the Executive Committee. The function of the Executive Committee is to plan the agenda for the Board meetings, to carry out policies and procedures previously determined by the Board between meetings, and to deal with matters of a sensitive or confidential nature. The Executive Committee may not change the budget nor the policies and procedures that have been determined by the Board. Any action taken by the Executive Committee shall be ratified, disapproved, or revoked if still revocable, by the Board. Actions of a confidential nature taken by the Executive Committee may be reported to the full Board in closed session, with the minutes taken and stored in a separate, confidential file.

Actions of the Executive Committee may be taken when three of the four members of the Committee are present; emergency meetings may take place by telephone or by other means when necessary. The Minister(s) and Executive may attend Executive Committee meetings unless all Executive Committee Members present vote to operate a specific meeting in closed session.

#### **Section 4. Board Meetings**

The quorum for a Board meeting is a majority of the Trustees. The Ministry Team and the Executive are ex-officio members of the Board of Trustees, without vote.

Regular meetings of the Board are held at approximately monthly intervals throughout the Church year at times and places designated with reasonable notification by the Board. All Board meetings are open to all Members and Friends of the Church, unless the Board is operating in closed session, either by a majority vote of the Board or to hear the report of a confidential Executive Committee action. Non-members of the Board may speak at Board meetings if:

- a) requested by the Board, or
- b) upon approval of prior request to the President or the Executive Committee.

Either unapproved minutes, or all motions and other action items from the meeting, shall be posted on the Church bulletin board within two weeks of each Board Meeting. Approved minutes of each meeting shall be posted on the Church bulletin board and the Church Website within one week after approval. Audio and/or visual recordings of the proceedings of a meeting may be made only by approval of the Board.

Special Meetings of the Board may be called at any time, place, or for any purpose by the President or by any three Trustees by giving reasonable notice to all members of the Board and posting such notice on the Church bulletin board. A quorum must be present for a Special Meeting.

#### **Section 5. Removals and Vacancies**

Questions of discipline shall be handled in accordance with Chapter XX of Robert's Rules of Order Newly Revised. A Trustee who is absent without reasonable cause for three successive regular meetings of the Board shall be removed from the Board, upon vote by the Board, and shall be so notified by the Secretary. Reasons for termination shall be discussed by a member of the Executive Committee with the Member before termination.

When a vacancy excepting Executive Officers (see Article VI, Section 2) occurs on the Board between Annual Meetings, however caused, the President appoints a replacement, subject to approval by the Board. The replacement serves for a partial-year term, until the next Annual Meeting. (See Article V, Section 3)

#### **Section 6. Finances**

- a) Budget. No later than its regular meeting in June, the Board shall adopt a balanced budget for the new fiscal year, which is subject to later revision by the Board if necessary. Anticipated spending of funds exceeding a budgeted amount must be reported to the Board.
- b) Audit. There shall be an annual audit of the financial affairs of each fiscal year reported to the Board and the type of audit shall be at the discretion of the Finance Committee and the Board.

- c) Endowment. The Finance Committee has oversight responsibility for the custody and investment of the funds of the Church and advises the Board and the Congregation with respect to investment policy and changes in the funds.

## **Section 7. Indemnification of Officers, Trustees, and Employees**

In the event that any person is threatened to be made a party to any legal action resulting from his or her position as an Officer, Trustee, or Employee, he or she may seek indemnification from the Church against expense, including attorney fees. Unless such indemnification is ordered by a court, the Board determines whether the person claiming indemnification has met the applicable standards of conduct for indemnification set forth in the Ohio Revised Code, Chapter 1702, and if so, that person shall be indemnified.

### **ARTICLE VII: OFFICERS**

### **Section 2. Ministerial Vacancy**

- a) The Parish Minister(s) and the Minister of Religious Education shall be ordained Unitarian Universalist Minister(s).
- b) When a vacancy occurs in the Parish Ministry or Religious Education Ministry, a Special Meeting of the Church shall be called to elect a Ministerial Search Committee selected by a process established by the Board, in accordance with Unitarian Universalist Association guidelines. The Ministerial Search Committee presents a candidate to the Board, who presents the candidate to the Congregation. The President is an Ex-Officio Member, without vote, of this committee.

### **Section 3. Minister(s)' Letter of Agreement**

The Board determines the compensation and other terms of the calling to be offered to the Minister(s) and negotiates all terms as required. The payment of compensation is set by the Board in a manner agreeable to the Minister(s) and in compliance with applicable tax laws.

The Letter of Call for the Minister(s) shall be approved by the Board and includes a provision that the calling may be terminated by either party by giving 90 days written notice to the other party and as specified in Article VIII, Section 5.

- III. Agenda items for the Annual Meeting may be added without debate and with the requested time, up to a limit of 30 minutes, if
  - i. the request is delivered to a member of the Executive Committee or the Church office prior to noon on the Annual Meeting date

AND

  - ii. meets the requirements specified in the Bylaws to call a Special Meeting of the Church.
- IV. Agenda items may be added to any meeting by a two-thirds vote, except that at Special Meetings of the Church, Agenda items are limited to matters specified in the call of the meeting.

### **RULE 5. MEANS OF VOTING**

So long as a quorum is present, action on any question, unless the Bylaws otherwise provide, is decided in the first instance by an uncounted show of hands, or by an uncounted standing vote of the members present. If the Moderator wishes a counted vote or if a member requests it, the vote must be counted. No vote will be taken by written ballot unless the members present order a written ballot by a two-thirds vote. The required proportion of votes cast by members to approve

any action or resolution will be as set forth in the Bylaws or these Standing Rules of Procedure. The results of all votes must be certified by the Presiding Officer.

#### **RULE 6. MINUTES**

The preparation of all minutes is the responsibility of the Secretary of the church. The Board of Trustees must approve the minutes of all Annual and Special Meetings of the Church, meetings of the Board and of the Executive Committee.

#### **RULE 7. AMENDMENTS**

No amendment or other change to any motion under consideration will be entertained unless it is submitted in writing to the Moderator, who may, however, waive this requirement.

- II. Clarifying and friendly amendments are always in order.
  - III. Amendments to the main motion will be in order
    - i. after at least ten minutes of debate, if that much time is needed, on the merits of the main question as moved
- OR
- ii. if there are not potential proponents or opponents
- 

#### **RULE 8. TIME LIMITS**

The following time limits are imposed on all business transacted by the church. If, however, there is no objection from the floor, the Moderator may grant minor extensions of time. Any time limits imposed by this rule may be extended by a two-thirds vote.

- I. No person may speak on any motion for more than two minutes, and not more than once, so long as there are others who have not spoken who desire the floor, except that persons having special information may, with the permission of the Moderator, reply to questions.
- II. A maximum time of 30 minutes is allowed for discussion of any proposed Bylaw or Rule amendment, resolution, or action on a report that is on or added to the Agenda. Whenever possible, the discussion time will be equally divided between proponents and opponents and by the alternate recognition of proponents and opponents.
- III. A motion to refer, table, or call the previous question shall be in order after 10 minutes of discussion or if there are not potential proponents, opponents, or amendments. A motion to call the previous question on a motion to amend the main motion is in order after 5 minutes of discussion concerning the amendment or if there are not potential proponents, opponents, or amendments. When this motion is in order, the Moderator may offer an explanation that "this will close all debate and the vote will be taken". The Moderator may also make a request for unanimous support. If there is any opposition to the request a two-thirds vote is required.

#### **RULE 9. MICROPHONES**

Each Annual and Special Meeting of the Church will follow these instructions.

- I. Two standing microphones will be available. One will be designated as "Pro" and one as "Con".
- II. One floating microphone will be available for accessibility needs. One member, chosen by the Moderator, will handle this microphone and will strive to alternate "Pro" and "Con" speakers.
- III. Statements in support of a motion are restricted to the Pro and Floating microphone.
- IV. Statements in opposition to a motion are restricted to the Con and Floating microphone.
- V. Amendment Motions may be made from any microphone provided the motion is otherwise in order.
- VI. Procedural Motions may be made from any microphone, or from the floor.
- VII. Upon being recognized by the Moderator, a member must state their name and reason for speaking before making a statement.

#### **RULE 10. COMMITTEE OF THE WHOLE**

At any stage of the meeting, the Moderator, without a vote of the Church, at his or her discretion may order the meeting resolved into a Committee of the Whole or reconvened as a regular meeting. While the meeting is acting as a Committee of the Whole, the following Special Rule applies:

---

The Moderator, without a vote of the Committee of the Whole, may permit reconsideration of any action taken by the Committee of the Whole and other departures of the Standing Rules of Procedure if it appears to him or her that the work of the Committee of the Whole will thereby be expedited. When the regular meeting is reconvened, the only motion in order will be to adopt the recommendation of the Committee of the Whole. A motion recommended by the Committee of the Whole will not be subject to amendment, debate, or delay.

---

**RULE 11. ADOPTING THE STANDING RULES OF PROCEDURE**

These Standing Rules of Procedure are adopted by a two-thirds vote by the Board of Trustees annually after the new Board is elected at the Annual Meeting and will remain in effect until the next Annual Meeting of the Church or the Standing Rules of Procedure are amended.

**RULE 12. AMENDING THE STANDING RULES OF PROCEDURE**

These Standing Rules of Procedure may be amended, suspended, or repealed during the course of any meeting by a two-thirds vote or a majority vote of the entire membership. Amendments during a meeting do not extend past Adjournment of the meeting except where the motion of Amendment indicates that the change will extend beyond that meeting.

**RULE 13. ADJOURNMENT**

A meeting is Adjourned following an Adjournment Motion and two-thirds vote, or after the Agenda is completed and the Moderator declares the meeting Adjourned.
